Engrossed Substitute House Bill 2713

Compost Procurement and Use

Reimbursement Pilot Program

Amy Clow, Quarantine & Rules Coordinator
WSDA Plant Protection Division

Overview

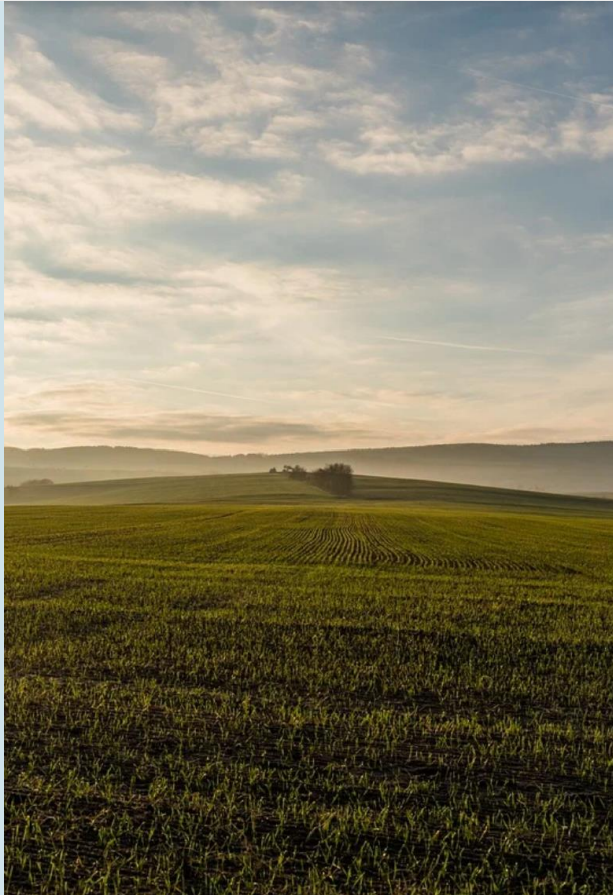

Goal - Encourage compost procurement and use

- Importance of local compost manufacturing
- Utilization of compost products
- Reimbursement pilot program

Section 4: Reimbursement Program

- 3 year program
- Farming operations purchasing composting products
- Eligibility review
- One application per year
- Fund distribution limitations
- Pilot program manager

Current Status

- Governor’s veto of Section 4
 - “Rapidly changing budget outlook”
- Work with stakeholder groups
- Would implement effectively
